

CASTLE POINT LODGE No. 9122 - 2nd Degree Tracing Board Club

A unique event happened at the Lodge meeting on Tuesday 13th March 2018.

The result of W Bro Alan Anthony's efforts, 5 members of the Lodge were presented with a Lodge lapel pin by W Bro Nick Franklin APM. This was to celebrate the 'founding' of what is hoped will be a continuation of a Lodge Fellowcraft making a Presentation of the 2nd degree Tracing Board.

W Bro Nick Franklin APM, Bros Joe Doherty, Matt Harrington, Darren Ridgwell, Adam Horn, (all now having progressed to being MMs) & FC Gregg Workman (who did the Presentation at the double passing of 2 members of the Lodge on the day in question) together with W M, W Bro Rob Alabaster

Lapel Pin designed by W Bro Alan Anthony, showing the two columns and two Fellowcraft rosettes depicting that it **was** a Fellowcraft freemason who presented the Tracing Board

What started as a challenge by Alan Anthony to Joe Doherty (just after Joe had been Passed) at one of the Lodge's regular L of I's (a challenge readily taken up and very successfully met) has now become a regular challenge to the latest Fellowcraft within the Lodge, each, to date, being successful.

It must be added that there are now 2 more Fellowcrafts who may wish to take up the challenge to join the ranks of our new "Tracing Board Club" members.
