Dear Mr Turner

I would like to say thank you again for supporting Little Havens Hospice, with a kind donation to the charity of £350.00, raised by the Raffle held at your Lodge Ladies Festival. Please give our special thanks to Tom and Pam Wilson for choosing Little Havens to receive your donation.

This is a meaningful year for us all at Havens Hospices as our children's hospice, Little Havens, celebrates its 15<sup>th</sup> birthday.

In our anniversary year, we thought you might like to know what a difference gifts like yours continue to make to the children we care for, and their families.

*'Up until finding Little Havens, we never left Frances with anybody, not even when she was in hospital. Even if we describe it, you can't understand what the hospice is really like until you've been there. It is just out of this world.'* **Dave, Frances' dad**

Thank you for helping us to be here today.

Yours sincerely

**Eleanor Burgess**  
On behalf of Havens Hospices

P.S. To join in the celebrations for 2013, please visit [havenshospices.org.uk](http://havenshospices.org.uk) or call 01702 220350 for ways to fundraise.

## Masons help the sick

MEMBERS of a Masonic Lodge in Rochford have given a donation of £350 to Little Havens Hospice.

The Trinity Masonic Lodge, which meets at Rochford Masonic Hall, has donated more than £1,200 to the charity, which provides respite breaks for children.

Rachel Townsend, one of the nurses on the Little Havens Care

Team, said, "I was delighted to accept the donation on behalf of the children and families we look after. It's really lovely to know that the care we provide is being supported by the local community as we couldn't exist without them."

"The Masonic Lodges have always been very generous to us and I'm thankful."
